**Market Scan Information Systems, Inc. relocates to new a new
“state of the art” facility.**

Market Scan Information Systems, Inc. has relocated its corporate headquarters to Camarillo, California.

Rusty West, President and Co-Founder stated “The move represents the beginning of a new era for Market Scan. Our new facility is nearly twice the size of our previous headquarters and is configured to optimize productivity of all team members.”

“Moving into this facility has done wonders for our company – our customer’s are experiencing an even greater level of service and employee moral is at an all-time high” said Market Scan’s C.E.O., Steve Smythe.
